

26<sup>th</sup> June 2020

Dear Parents,

### Newsletter

#### Provision

The provision for eligible pupils, for week commencing 29<sup>th</sup> June and 6<sup>th</sup> July will be at Castleton.

#### Sports Day

Mrs Woods has put together a range of activities which children can complete at home without needing any PE equipment. The aim of this sports day is for children to have fun as well as being able to compete against others in their year groups and classes.

Sports day will run from Thursday 2<sup>nd</sup> July to Thursday 9<sup>th</sup> July. At some point during this week, children should be timed completing each of the activities. They should be timed to see how many of a specific exercise they can do in 1 minute. We also ask that children are filmed doing some of the activities and pictures are taken. These, along with the record sheet (which will be sent out on Thursday 2<sup>nd</sup> July) should be emailed to the class teacher by no later than **Thursday 9<sup>th</sup> July**.

#### The Junior Class

The junior children have had another busy week of home learning. In English, they have been planning and producing some excellent non-chronological reports on bikes. They have also worked very hard on their White Rose maths. Children have got creative and produced some lovely art work around our topic on bikes. On Wednesday, we enjoyed a class Zoom call and had a game of bingo. It was enjoyed by all and well done to Ryan for getting a full house first! The junior children have also enjoyed some time in the lovely weather: gardening, bike riding, paddling in rivers and enjoying time out in the garden. Music lessons began again this week and Noah was able to have his first skype keyboard lesson with Mr Chatto.

### The Infant Class

This week the infant class have been reading 'The Lighthouse Keepers Lunch'. Children were asked to make a recipe for their favourite lunch or sandwich and to include instructions on how to prepare the lunch - the children included lots of imperative verbs. They were also asked to write a diary from the point of view of Mr Grinling, who loves his job as the lighthouse keeper but is getting a little frustrated with the pesky seagulls who are eating his food. Some children created their own lighthouse in Design and Technology - Rose sat her lighthouse on top of some rocks to make it more realistic and one of our children really enjoys making circuits so decided to make a working light for their lighthouse. Children also researched Grace Darling in History, sang sea shanties in Music and created seagulls in Art - they have had another busy week!

### Stars of the Week

The Junior star of the week is Chloe for producing a fantastic non-chronological report on bikes. She included lots of interesting information and her presentation was outstanding. Great work Chloe, well done.

The Infant star of the week is Rose for working hard on all of her learning this week and for creating an excellent Lighthouse sculpture. Well done Rose!

### Junior class dojo points

1st- Chloe  
2nd- Robert  
3rd-Ryan

### Infant Dojo Points

1st - Rose  
2nd - Chloe and Matthew  
3rd - Omar

Yours sincerely

H Ward
