

News from Lealholm Primary school

Fern Class

I can't believe it has come around so fast. We now say goodbye to our Year 2's and welcome in our new starters. It's been lovely to see how everyone has changed through the year and ending this term on a real high.

The children have worked so hard throughout and are now getting a well-earned rest.

In Fern class we are sending home a reading pack to continue using the phonics skills they have developed this year, in the pack is also their latest assessment so you can see for yourself what they have achieved.

Thank you to all the families for all your help this year I hope you all have a restful holiday and look forward to coming back for a fresh start in September.

Heather Class

We have certainly ended the school year on a real high in Heather class.

Firstly, **congratulations** to our Year 6 pupils, who achieved an outstanding set of SATs results, with 100% achieving the expected standard or above. This reflects their hard work, determination and resilience throughout the year.

Our Design and Technology projects have also been a great success. Year 5 and 6 designed and programmed Microbits to create burglary alarms, demonstrating excellent problem-solving skills as they overcame challenges. Year 3 and 4 designed and built buzz wire games using wood, wire and electrical circuits, showing creativity and perseverance to produce fantastic finished products.

Tuesday's sailing session at Scaling Dam was an unforgettable experience. Every child embraced the challenge of learning a new skill with enthusiasm, determination and resilience, growing in confidence throughout the day.

To round off the week, our visit to the Great Yorkshire Show was a wonderful success. The children represented Lealholm brilliantly with their excellent behaviour and enthusiasm, making the most of every opportunity to learn about farming, food production and the countryside. It was the perfect way to end another successful year.

Headteacher's Message

What a busy but absolutely fabulous week we have had at school! It has been filled with excitement, celebrations, and wonderful opportunities for making memories as we bring another successful school year to a close.

I would like to say a huge congratulations to our Year 6 pupils on their fantastic SATs results. Your hard work, determination, resilience and positive attitude have truly paid off, and we are incredibly proud of everything you have achieved. Thank you also to our dedicated staff and supportive families for the encouragement and support you have given along the way.

As we reach the end of the academic year, it has been wonderful to see pupils enjoying special events, spending time with friends and creating lasting memories together. These moments are such an important part of school life and a fitting way to celebrate all that has been accomplished this year.

Thank you to our whole school community for making this such a successful and enjoyable year. I wish all our pupils, families and staff a happy, safe and restful summer break.

I look forward to welcoming everyone back to school on Wednesday 9th September for another exciting year of learning, achievement and fun.

Attendance

Good attendance is linked to success in all aspects of school life.

This week, our attendance has been **93.87%**

This is below our target of 96%

Music Lessons Next Term

For parents and carers of children who receive music lessons in school, please note that from next term, music lessons will take place on Fridays instead of Thursdays. Please ensure your child brings any required instruments and music books on Fridays. Thank you for your support.

School Meal Price Update

A gentle reminder that from September, the cost of school meals will increase slightly to **£3.40 per meal**. This change helps us continue to provide a varied and nutritious menu for all children. Thank you for your continued support.
