Message from Mrs Zanelli (Headteacher)

We have made it to Easter! It has been another tricky term with both illness and snow but we have made it 😊 thank you as always for all of your continued support - we can't express enough how valuable it is when you are partners in education with us.

We have lots of exciting learning planned for next term including a visit to local places of worship (hopefully a Mosque and Gurdwara) a visit to Whitby to buy books for school and hopefully drumming lessons from a Brazilian drummer!

Have a lovely holiday - I am looking forward to hearing tales of more lambs after the holidays! Mrs Zanelli.

Life at Lealholm

What a cracking end to the spring term! As always, it has been a busy but fun-filled term at Lealholm and this week has been no exception. We are delighted with the children's performance in their final dance session this week and Lewis was impressed with the children's progress during their agility sessions this half term. The children in Heather class have invented some magnificent machines to complete everyday chores with some clear and detailed explanations as to how they work. Fern class have written some creative recounts to recall and describe their journey around the village. In DT, Heather class made some delicious bread which they have been learning about and designing this term. Fern class were busy making their fantastic sock puppets.

Star of the week:

Fern Class: Star of the week in Fern class this week is James for brilliant home learning, an excellent maths assessment score and independently using apostrophes.

Heather Class: Star of the week in Heather class this week is both Xavier and Noah for working extremely hard in preparation for their end of year assessments - we are very proud of you!
